Assessment Kits

CPT-Cognitive Performance Test
Standardized performance-based assessment developed to determine baseline measurements and track changes in global functions over time.
0813-69-099

DLOTCA™
Designed to provide standardized testing procedures and established norms for systematic data collection in cognitive assessment in patients 18 - 69 years old.
0815-65-142

DLOTCA-G™
Designed to provide standardized testing procedures and established norms for systematic data collection in cognitive assessment in patients 70 years or over.
0815-65-159

Supreme Sock Aid
All plastic, non-porous design eliminates wear and tear associated with cloth sock aids and means it is easy to clean with soap and water, with household disinfectant sprays, and can even be placed in the dishwasher making it ideal for institutions where cross contamination may be a concern.
0817-03-370

Hinged Elevated Toilet Seat
Lifts and lowers like a regular toilet seat for easy cleaning.
0810-21-963 Standard
0810-21-971 Elongated

Extra Wide Tall-Ette® Elevated Toilet Seat with Legs
Contoured, soft foam arm rests designed to assist the user in sitting down or rising from the seat.
0811-25-566 Standard
0811-35-664 Bariatric

Sliding-Rotating Transfer Bench
Provides easier access for people who have difficulty getting in and out of the shower.
0816-09-916
